

## GAMES MEMORIES INTERPRETATION

The Games Memories project celebrated both the atmosphere and contributions made during 'the most successful Games ever'. The project is situated between the Olympic Railway Station and Stadium Australia to ensure maximum exposure to visitors to the Park.

This world class public art piece incorporated:

- An Open Air Museum incorporating a 15m wide pod displaying an audio and visual presentation
- In excess of 500 individual poles combining multi-media and a plethora of building materials, and artistic trades.
