

## AUBURN WAYFINDING PROGRAM

Council engaged COMPLETE to plan, design and implement a wayfinding and interpretation sign strategy for their Botanic Gardens Precinct.

The project involved:

- Analysis of regional/local signage relevant to project
- Graphic design
- Technical design and shop drawings of all signage
- Over 300 interpretive signs for the fauna reserve, aviary and all botanic garden species
- Construction administration.

**LOCATION:** AUBURN, NSW

**PROJECT TYPE:** Landscape

**BUDGET:** \$250,000

**STATUS:** Completed

**ORGANISATION:** Auburn City Council
