LAWSON VILLAGE RELOCATION

With the widening of the nearby highway, Council engaged COMPLETE to prepare the design from concept through to documentation for the entire town centre relocation.

The project included:

- Preparation of a new subdivision arrangement
- Review of local planning instruments
- Development Application
- Multi-disciplined in house design including stormwater, civil, structural planning, landscape, architecture and lighting.

LOCATION: Lawson, NSW
PROJECT TYPE: Urban Planning
BUDGET: $18M
STATUS: Completed
ORGANISATION: Blue Mountains City Council
